We appreciate your interest in Cleveland Clinic's WOC Nursing Education program (WOCNEP). Our admissions guide's content provides information about our online program options, admission prerequisites, steps to enroll, and a link to our online admissions application form.

Our program was established in 1961 as the first WOCNEP of its kind in the world. It is accredited by the Wound, Ostomy, and Continence Nurses' Society™. Our WOCNEP's course content will expire on December 20, 2029. Our curriculum is rooted in evidence and best practices and provides education focused on Professional Practice Concepts in WOC Nursing, Acute & Chronic Wounds, Fecal and Urinary Diversions, and Urinary & Fecal Incontinence Management. **This is a rigorous program designed to prepare you for the role of a WOC Nurse specialist, and determining your best time to start the program is important.**

A WOC Nurse specialist is vital in pre- and post-operative management of a person with an ostomy; instrumental in the prevention and treatment of pressure ulcer injury, lower extremity wounds, fistulae, and other chronic wound and skin disorders; and who provide specialized care for persons with urinary and fecal continence concerns. During the program, you'll acquire the knowledge and skills to establish a WOC practice, provide direct patient care and education, and address psychological concerns, discharge planning, rehabilitative counseling, and follow-up care.

Our online courses include asynchronous weekly discussion threads, self-directed learning modules, individual projects, practicum course options, and a comprehensive final exam for each specialty course. All didactic course work is completed and submitted within the online learning management system (LMS). Course descriptions can be located on our program's website at: [Click Here for Course Descriptions](#).

Prior to enrolling, you should consider all additional costs associated with this program. Such as: textbooks, laptop, clinical fees, which may include: preceptor fees, airfare, housing, food, living expenses, parking and local transportation fees, potentially lost wages, and/or child care.

If you are interested in enrolling, please proceed on to **Step 1: Select a WOC Cohort and Adhere to All Required Dates for Admissions**. You may apply only during the "open enrollment" periods listed and by completing and submitting your online admissions application form located in **Step 2: Program Prerequisites and Required Admissions Documentation**. Additionally, your \$200 nonrefundable application fee must be remitted online at the time when you submit your admissions application form. **Each cohorts' seating fills quickly and once seating has filled to maximum capacity, the online admissions application form automatically will close early until the next cohort's enrollment period opens.**

Upon receipt of your admissions application, and \$200 nonrefundable application fee, the business office will initiate your admissions onboarding event in our automated RedCarpet-Silkroad system. RedCarpet will email you a student user account and it will provide you with instructions to complete all your admissions onboarding criteria. **Your assigned admissions tasks, in RedCarpet, must be finalized by the cohort's posted "Final Date to Complete ALL Admission Requirements" posted on the annual class schedule as well as tuition paid in full.**

Program questions may be directed to our WOC Admissions & Business Office Coordinator, Teresa Warnke, at WOCSchool@ccf.org, or 216-317-7163 (Monday –Thursday, 8 am – 3:30 pm, and Friday 8 am – 10:30 am, EST).

Our WOCNEP is accredited by the WOCN® to provide continuing education in professional practice concepts, wound management, fecal and urinary diversion (ostomy) management, and urinary and fecal incontinence management education towards the role of WOC Nurse specialist. Graduates of the program are eligible for the WOCNCB certification exams.

Exam eligibility - licensed RNs with a minimum of a baccalaureate degree combined with successful program completion are eligible for testing. Sixty (60) ANCC contact hours of nursing continuing education are awarded on successful completion of each didactic course. Participants can elect to complete didactic & practicum courses for a certificate of completion from our program, or complete didactic courses that can be combined with clinical experience for certification board testing eligibility.

Wound, Ostomy, Continence Nurses Society™ (WOCN®) Accreditation – this means our WOCNEP has been approved by the WOCN® accreditation committee, and meets the minimum standards in providing WOC nursing continuing education based on the WOCN® curriculum blueprint and accreditation manual. Our WOCNEP is a WOCN® accredited program. This accredited program is a separate business entity from the WOCN® Society. WOCN® is the legal abbreviated trade name referring to the society, and should never be used as a credential.

Wound, Ostomy, Continence Certification Board (CB) – The WOCNCB is a separate business entity from the WOCN® Society and from our WOCN® accredited program. It is the CB that determines exam eligibility, awards the legally defensible credential based on successfully completed exams, and determines the knowledge level and skills needed for safe practice. **There are two paths to exam eligibility;** the traditional route through successful completion of a WOCN® accredited program, and the experiential route through successful completion of specific continuing education content combined with clinical hours of on-the-job specialty experience. The CB is accredited through the accrediting body to provide the legally defensible credentials based on specific standards of testing and exam eligibility (see www.wocncb.org for more information).

Step 2: Prerequisites, Admissions Application, & Admissions Onboarding Process

Admissions Pre-requisites:

An applicant must: 1) be a legal U.S. resident, who actively resides in the USA, 2) be actively licensed as a registered nurse with a baccalaureate degree, or baccalaureate degree in a field other than nursing with demonstrated baccalaureate level nursing competencies in the areas of health assessment, leadership and management, research and statistics, and community health nursing, and 3) have a minimum of one full years' RN clinical experience within the last five years prior to enrolling in this program.

Admissions Application Form & \$200 Non-Refundable Registration Fee:

To start your admissions process, first complete and submit your online admissions application form and \$200 non-refundable application fee at:

Access Here at: <https://forms.office.com/r/q0DJ4qvUhi>

At the end of the application process, you will be routed to our program's secure financial payment system to remit your \$200 non-refundable application fee. **We must receive your \$200 along with your admissions application before you will be entered into our RedCarpet admissions onboarding system.** RedCarpet will activate the start of your automated admissions onboarding process and the system will send you a welcome email with your applicant user account information and instructions. Wait time for your email generally is up to five business days.

As you await your RedCarpet-Silkroad email, you should proceed with the next three steps:

- A) Order your official college e-transcripts. E-transcripts must be **emailed** directly from your college university to our business office. ***This is the necessary method of delivery to us. As we work out of our home/residential offices, and we cannot acquire paper transcripts mailed to a physical address.***
 - If your university utilizes an online electronic clearinghouse for e-transcript submissions, please instruct them to email transcripts to WOCschool@ccf.org.
 - If your university can only mail transcripts, then kindly call our business office (216-317-7163) first before you place your transcript order with your university for a "work around" submission resolution.
- B) Ensure your resume or CV is current. As you will be required to upload a current version of it into the RedCarpet-Silkroad system.
- C) **If electing to complete an "offsite" clinical in your own geographical area, then you must utilize an approved clinical site and preceptor from our WOC Nursing program's clinical database.** To obtain a list of approved clinical sites and/or preceptors in your state, email an inquiry to WOCschool@ccf.org, and be sure to include your U.S. state of residence in the email.

After you acquire a list of approved preceptors and clinical sites from our business office, then it is the applicant's responsibility to contact the preceptor and clinical site to secure a clinical placement. **All applicants must secure a preceptor and clinical site as well as notify our office, in writing, of such clinical placement details before the cohort's Final Date to Complete ALL Admissions Requirements as indicated on the class schedule.** Refer to [Step 1: Select a WOC Cohort and Adhere to All Required Dates for Admissions](#) above. (Also refer to [Step 3: Practicum Course Options](#) for specific instructions.)

Automated RedCarpet Admissions Onboarding System:

NOTE: Classes fill quickly and seating is limited and secured on a first come, first served basis by fully finalizing all assigned RedCarpet admissions tasks. Thus, it is extremely important that you create your RedCarpet-Silkroad applicant account and complete your assigned admissions tasks without delays.

Upon receipt of your RedCarpet welcome email, immediately create your user account and log in. **All tasks are in a locked and loaded sequence of events.** So, you must fully finish and then “save & complete” the first set of five tasks before RedCarpet will generate the next series of tasks to you. The task sequences for your completion will be as follows:

Sequence 1: applicant will review and print: 1) welcome letter, 2) class schedule/admissions dates/preceptor and clinical requirements, 3) list of required admissions documents, 4) attestation form, and 5) CHPE applicant survey demographics.

Sequence 2: applicant uploads into RedCarpet each required admissions document listed below for program’s business office review. You’ll first want to scan and save these documents to your PC | tablet | thumb drive.

(**NOTE:** all documents must be actively maintained while enrolled in the didactic and clinical portions of this program; as documents expire, you will be emailed notices requesting renewal documents be submitted to us.)

(**NOTE:** if electing the Experiential Pathway (i.e., nursing CE’s only option), then you only need to: 1) upload your current resume/CV, 2) upload your RN nursing licensure verification report from the www.nursys.com website, and 3) have your university email us from their online clearinghouse your official baccalaureate e-transcripts. No health or immunization, BLS, health insurance, nor RN liability insurance is required.)

- Copy of current U.S. nursing licensure report without infractions. Go to the Nursys verification site at: <https://www.nursys.com/LQC/LQCTerms.aspx>. Print/save a copy of your report. Note: Nursys does not apply to Michigan residents, who may upload a copy of their active nursing license into RedCarpet.
- Copy of current CV/resume.
- Professional RN liability certificate of insurance **with coverage limits of not less than \$1,000,000 per occurrence and \$6,000,000 annual aggregate.** (You may obtain more information on purchasing this insurance from the Nurses Services Organization, www.nso.com, 159 E County Line Rd., Hatboro, PA 19040, phone (800) 247-1500. If you are covered by your employer’s insurance policy, your Human Resources representative will need to provide a signed letter verifying that you are covered while a student enrolled in the program and state the coverage limits.)
- Copy of personal health care insurance ID card (both front and back sides).
- Copy of active American Heart Association Basic Life Support (BLS) ID card (front and back sides).

To complete the next five requirements, provide your PCP or NP with our program’s Health Assessment Form (Immunizations, COVID-19 & Health Assessment) for completion. This form can be accessed in your RedCarpet admissions event or on our program’s website.

- Statement of overall good health from primary care physician.
- Negative TB test (2-step Mantoux or QuantiFERON TB Gold test) **or** chest X-ray (if prior positive results) **within the past 6 months.**

- Immunizations or **titers within the last 10 years** for measles (Rubeola), German measles (Rubella), chicken pox (Varicella), Tdap (Tetanus, Diphtheria, Pertussis) booster.
- Positive titer proving immunity to Hepatitis B, or a waiver signed by the student indicating that the student assumes risk of exposure to Hepatitis B.
- Legible copy of CDC government COVID-19 Vaccination Record Card (or documentation of vaccination from a health care provider, or electronic health record, or state immunization information system record) evidencing proof of **all required COVID-19 vaccine doses**; which are as follows:
 - Two doses of the Pfizer-BioNTech (COMIRNATY) (BNT162b2) vaccine, OR
 - Two doses of the Moderna (mRNA-1273) vaccine, OR
 - One dose of the Johnson & Johnson / Janssen (JNJ-78436735) vaccine
- Flu vaccine for current year. (All students who complete practicums between October 1 and March 31 must remit evidence of the current year's annual flu vaccine. A religious or medical exemption can be requested; forms are available from our program's office. Please contact us at 216-317-7163.)

Sequence 3: Next RedCarpet generates to the applicant an electronic CBI (criminal background investigation) and a HIPAA compliance form for completion. As soon as the applicant completes and submits both forms, RedCarpet alerts Cleveland Clinic's internal security administrative services (SAS) department to obtain a CBI report on the applicant. (NOTE: not required for the Experiential Pathway option)

Sequence 4: RedCarpet releases several Cleveland Clinic human resources' nursing *administrative* policies and procedures for the applicant to read and then sign off on an electronic attestation form.

Sequence 5: (Internal Process) Once a clear CBI report is obtained (in sequence 3), the SAS team sends a RedCarpet alert to Cleveland Clinic's human resources department. Who will create a student MYLEARNING user account and will release to the applicant their MyLearning *clinical* policy modules for completion. (NOTE: not required for the Experiential Pathway option)

Sequence 6: RedCarpet emails the applicant a notice to complete his/her MyLearning clinical policy and procedure modules. (NOTE: not required for the Experiential Pathway option)

Sequence 7: (Internal Process) RedCarpet alerts the WOC Nursing office's administration when applicants' admissions tasks have been successfully completed. All uploaded documents, by the applicant, will be reviewed to ensure his/her documents meet the program's admissions requirements. After review, our business office will email the applicant a letter of acceptance into the program.

Sequence 8: Your tuition payment task will release to you with an embedded link to our program's secure payment website. You must pay your tuition, in full, prior to your cohort's Final Date to Complete ALL Admissions Requirements posted in [*Step 1: Select a WOC Cohort and Adhere to All Required Dates for Admissions*](#)

Sequence 9: Two weeks before the first day of class, RedCarpet will release to the applicant a final task for completion; which is to review and to print a First Day of Class Instructional Letter.

Also, two weeks prior to the class start date, the program's business office will email all students encrypted links to access the online classroom. This email will be sent directly from within the online classroom. Upon receipt of that email, students should create and access his/her classroom account as well as a review the electronic student handbook and course syllabus.

Step 3: Practicum Course Options: Experiential vs. Traditional Pathway to WOCNCB certification board exam testing

Experiential Pathway	No clinical requirement. Nursing C.E.'s are awarded for each successfully completed didactic course elected. Student is not considered a graduate of this program. Prior to admission, the applicant must meet the WOCNCB's "experiential pathway" requirements to apply and sit for certification credentialing exam(s); if desired upon completion of this program. Visit the WOCNCB's website for more details before electing this enrollment option.
Traditional Pathway	<p>Practicum Course offers three options for selection:</p> <p>A clinical experience is required and it begins one week after successful completion of ALL didactic courses elected. Practicum course options listed below will be elected on the applicant's admissions application form.</p> <ol style="list-style-type: none"> 1) Onsite – 40 hour clinical experience (per specialty course) at Cleveland Clinic's main campus in Cleveland, Ohio. Our clinical scheduling team will assign preceptors, and they will email your clinical schedule to you. <u>Seating is limited and issued on a first come, first served basis at the time of admissions.</u> <p><u>Clinical Dates / Hours</u> – Clinical hours are scheduled Monday – Friday from 8 a.m. until 5 p.m., EST. No clinical time is scheduled on Saturday or Sunday.</p> <p><u>Housing / Transportation / Travel</u> – It is the student's responsibility to make their own travel, transportation, and housing arrangements and pay for all expenditures.</p> 2) Offsite – 40 hour clinical experience (per specialty course) to be completed in your own geographical area, <u>but you must select from approved preceptors and clinical sites contained in our program's approved clinical database.</u> Contact us at WOCschool@ccf.org to acquire a list of approved preceptors and clinical sites in your area, and be sure to include your state of residence. <p>If the preceptor and/or clinical affiliation agreement requires renewal documentation before the student can be approved to be placed at the selected clinical site, then it is the applicant's responsibility to ensure the preceptor and/or clinical site submits the required documents to our business office <u>before the cohort's registration close deadline date outlined on the annual class schedule.</u> The process to renew a preceptor or clinical affiliation agreement is referenced in the next section below.</p> 3) Split Option for Onsite or Offsite – Practicum course options and information above (onsite vs offsite) apply. However, only <u>24 hours are required at a clinical site and 16 hours virtually online per specialty course.</u> This option is ideal for those students, who are unable to complete all of the required clinical hours at a clinical site.

Renewal Documents, if required, for an approved **offsite** clinical placement may be accessed below via the Clinical Affiliation Agreement Template hyperlink and this information should be forwarded via emailed to your clinical preceptor.

Preceptor Application: <https://forms.office.com/r/cFeRifXLhw>, and remit the following list of required credentialing documents, within three business days, by scan/email to WOCschool@ccf.org.

- Clinical stats form complete here at: [Clinical Stats Form](#)
- Send copy of current CV or resume
- Send copy of current WOCNCB certificate of ID card
- Send documented evidence of demonstrated completion for at least one of the following: 1) a preceptor workshop, or 2) other structured learning program which includes principles of adult learning, critical teaching strategies, and clinical evaluation methodology, or 3) evidence of prior preceptor or clinical nursing educator experience.

Step 4: Tuition & Practicum Extension Fees | Drop Courses | Tuition Refund Policy

1. **Tuition Fees:** Tuition fees listed below are minus the required \$200 nonrefundable registration fee. **If a student engages in academic misconduct or plagiarism and s/he is expelled from the program, the full tuition (and non-refundable registration fee) will not be refunded.** Textbook fees, clinical or precepting fees, travel, transportation, parking, lodging, and meals are NOT included in tuition fees.
 - \$3,200 – One specialty course (elect wounds, ostomy, or continence) plus prerequisite professional practice concepts
 - \$4,800 – Two specialty courses (combination of wounds, ostomy and/or continence) plus prerequisite professional practice concepts
 - \$6,400 – Three special courses (includes wounds, ostomy, and continence) plus prerequisite professional practice concepts
 - \$1,600 – One additional specialty course (applies to previously elected single or dual scope course elections)

Tuition Payment Deadline: Tuition payment, in full, must be received before the class' posted Final Date to Complete ALL Admissions Requirements as indicated on our program's annual academic class schedule.

Failure to Receive Tuition, in full, by the Posted Final Date to Complete ALL Admissions Requirements: If full tuition is not received by the Final Date to Complete ALL Admissions Requirements, then the applicant's Admissions will be automatically withdrawn and the applicant will need to re-apply when registration re-opens for the next cohort or any subsequent cohort.

Online Didactics: Tuition varies depending upon the course(s) selected plus a \$200 nonrefundable registration fee. (NOTE: Professional Practice Concepts in WOC Nursing course is a prerequisite to all course specialty scopes. This prerequisite course need only be taken once.)

Practicums: Depending upon your practicum course selection, associated clinical or preceptor fees, travel, housing and meals are at the student's own expense and not included in tuition. Travel and housing arrangements should not be made until after clinical details are provided to you. **Practicums are required to be fully completed within 12 weeks from the first day of the practicum course.**

Practicum Course Extension Fee: Clinical hours, practicum assignments, and all final exams (scheduled/taken/remediated/passed) must all be completed within **12 weeks from the first day of the practicum course**. Students, who are unable to complete all course requirements, in the allotted time, should immediately contact his/her instructor to discuss their situation. As non-communication with your instructor regarding the need for a practicum extension may result in a clinical failure. Your instructor will notify the program's business office to discuss and review your situation. **Up to two, 4 week extensions, at a cost of \$400 each, may be granted to allow for practicum course completion.** Students, who request an extension must contact the program's business office at WOCschool@ccf.org **three to five business days prior to the scheduled practicum course closure date to acquire payment instructions.** Payments received after the final date of the practicum course closure will not be accepted; no exceptions, no extension will be granted, and it will be considered a course failure. Thereby, prohibiting program completion and issuance of a Certificate of Completion for WOCNCB testing via the Traditional Pathway.

2. How to Drop a Course (or from the program):

To drop a course (or from the program), the student must submit a timely, written request to WOCschool@ccf.org. Upon receipt of the student's written withdrawal request, s/he will receive an official Withdrawal Request Form via email. This form must be complete and emailed back to the program's business office (within 48 hours) in order to approve the withdrawal and to process any refund, if granted, to the student.

3. Refund:

Dropping from a course (or program) must be received, in writing, and sent to WOCschool@ccf.org. Upon receipt of the student's written withdrawal request, they will receive an official Withdrawal Request Form via email. This form must be complete and emailed back to our program's business office (within 48 hours) in order to approve the withdrawal and to process any refund, if granted, to the student.

Withdrawing Enrollment from the Entire Program Prior to Professional Practice Concepts in WOC Nursing Course:

- If written withdrawal notification from the entire program is received prior to the first day of the prerequisite Professional Practice Concepts class, the student will be reimbursed for the full tuition less the non-refundable registration fee of \$200.00.

Dropping from the Professional Practice Concepts or any Specialty Track Course:

- If student fails the prerequisite Professional Practice Concepts Course, and is unable to proceed into the specialty courses, s/he will be refunded 100% of the tuition paid for the elected specialty track courses.
- If in the first class and withdrawal is on or after the first day of the class, reimbursement will be 75% of tuition less \$1,600 and less the \$200 nonrefundable registration fee.
- If in the second class and withdrawal is on or after the first day of the class, reimbursement will be 50% of tuition less \$1,600 and less the \$200 nonrefundable registration fee.
- If in the third class and withdrawal is on or after the first day of the class, reimbursement will be 25% of tuition less \$1,600 and less the \$200 nonrefundable registration fee.
- If in the fourth class and cancellation is on or after the first day of the class, reimbursement is not available for any tuition or fees.

Step5: Housing Options (only needed for onsite clinical rotations at Cleveland Clinic, Cleveland, Ohio)

Housing: Each student is responsible for choosing and making his/her own housing arrangements while enrolled in this program. For onsite clinicals at Cleveland Clinic, the clinical scheduling team will email you, thirty days prior to your first clinical date, a housing guide, clinical orientation guide, and your clinical schedule.

Step 6: Textbooks, Medical Library and Laptop Computer
