

# **Nurse Associate Externship: Advanced**

Because teamwork and learning go hand-in-hand

#### Your experience as a Nurse Associate Extern

Cleveland Clinic is committed to shaping the future of healthcare by providing nurses with the resources they need to learn, grow, and reach their potential. Your 10-week externship will include working one-on-one with a nurse mentor, as well as time with fellow externs in a classroom setting.

Ideal candidates will be purpose-driven individuals who thrive on hard work and are committed to giving their best to make a meaningful difference in the lives of others. Student applicants must be currently enrolled in an accredited nursing school (BSN or BSN/MN program) and entering their last year or semester upon completion of their externship. Candidates must hold Basic Life Support certification through the American Heart Association for the duration of the program.

#### May 15-July 22, 2023

Externs must be enrolled in a BSN/MN program at one of the following institutions:

- 1. Kent State University
- 2. Ursuline College
- 3. Liberty University
- 4. Cleveland State University
- 5. Case Western Reserve University

During the program, externs must be concurrently enrolled in the designated elective course.
