appointment Vendor Representative must sign-out in the GHX/Vendormate system.

- If a Vendor Representative is on Cleveland Clinic property and does not have a badge they are required to sign a Non-Disclosure Agreement (NDA) and be accompanied by a Cleveland Clinic employee at all times.

Other identification tags as furnished by some companies may be worn, but in no case are they to be used in lieu of an ID Badge issued by Cleveland Clinic. Failure to register with the GHX/Vendormate Vendor Management System and failure to display prominently the ID Badge are serious infractions of our Cleveland Clinic Vendor Visitation and Interaction Policy and may result in being escorted off Cleveland Clinic property.

Vendor Representative shall adhere to any specific criteria outlined by the particular entity he/she has a previously scheduled appointment. Some departments have procedures or policies that conform to the nature of the work done in their areas. Please become familiar with them.

Nursing floors, lobbies, dining rooms, and fellow reading rooms are inappropriate places for vendor visits.

Calls to the surgical centers may be made only in certain designated areas.

Vendor Representative GHX/Vendormate information and documentation must be renewed annually and upon changing employers.

Vendor Representatives are required to wear orange scrubs during all participation or observation of a clinical procedure at Cleveland Clinic's main campus.

- This scrub color is specific to vendor representatives and is designed to ensure easy identification.
- When leaving the surgical or procedure rooms, Vendor Representatives must cover their scrubs with a white, buttoned lab coat while inside the hospital
- This attire cannot be worn when traveling to and from work. Vendor Representatives must completely change out of their scrubs with or without a lab coat before leaving the premises.
- If Vendor Representatives do not comply with these guidelines may risk loss of privileges of the clinical areas and all other Cleveland Clinic facilities.
- For all other Cleveland Clinic facilities, the specific location will provide the Vendor Representative with their scrubs.
